## Dedication

We, the members of the TOMAHAWK staff, are honored to dedicate this product of our year's endeavor to one who serves so quietly and efficiently that we often forget to say "thank you."

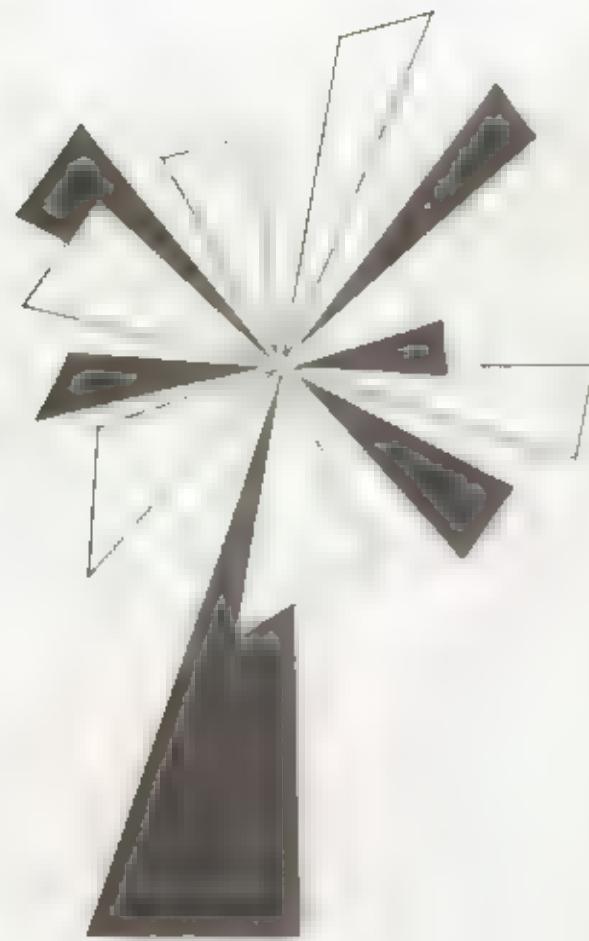

She is behind the scenes at the Halloween Carnival, Junior-Senior, and Homecoming activities. The success of these events is, in a large part, due to her effort. Not only does she spend countless hours working on major school projects such as these, but she mends our torn pants and fills our halls with the tempting odors of freshly cooked fudge.

In her classroom, she strives to teach each girl, not only the fundamentals of homemaking, but also how to be what she most surely is - a lady.

It is with sincere gratitude that we dedicate the 1970 TOMAHAWK to Mrs. Sally Williams, one who teaches us by her example.

Our Advertisers

Where do our thank-yous begin? They don't, for there is no beginning, just as there is no end. We could never say "Thank you" enough to all those people who helped publish the 1970 TOMAHAWK. So, we just recognize, in our own simple way, those who were instrumental in our publication. To all the businessmen of the community who expressed their confidence and interest in us as an advertising in yearbook and to all those who helped us take our steps by publishing the Tomahawk, our most sincere appreciation goes.

As well, to the faculty and administration, who put up with our absences from class to meet a deadline and our interruption of the daily schedule to take pictures we want to express our thanks.

Last but not least we must thank our parents for our late or avoidance of household chores in favor of working on the Tomahawk.

A very special thanks to Mrs. Cecilia Mims, our advisor, who sacrificed many things and spent countless hours working with us.
